Glass wooden package fee											\$91.20
TOTAL					27				163.00		\$16,523.19
Remark: (1) Profile: JMA None-thermal Break Series Aluminum Profile, Profile Surface Treatment: Powder Coating (Aksu 10-year warranty powder), does not contain metal powder; Glass: Domestic conventional standard glass. (2) This quotation is the FOB price of finished windows [including processing fees, ordinary packaging fees for frames and sashes, glass-fixing wooden box fees, exterior wall glue and installation hardware (such as pull tabs, nails, wood screws)], and does not include sea transportation fees, installation fees, waterproofing and caulking material fees. (3) If the market price of materials fluctuates, the material level and specifications change, the plan and door and window size are adjusted, and other factors affecting the price change, the project cost will be adjusted accordingly. (4) This quotation is valid for 30 days (quotation date: revised on November 6 2025).
